It is in my list for today. I should have it reviewed by 11. It is good to know that you are around to make any edits or clarify.

Michelle,

If you are happy with the briefing paper, would it be a good idea to share with Cathy in advance of our Monday briefing? Apologies if you have already done so and I am unaware.

Thanks,  
Micka

**Subject:** Anacostia trash briefing for Cathy

Hi Michelle,

Is there any chance we can get on Cathy's calendar Monday or Tuesday of next week for a briefing on the Anacostia trash TMDL approach? A half hour should be enough time to bring her up to speed and get feedback on our preferred path forward. We have a conference call with MDE and DOEE on 4/10/19 and if it all possible, would like to come to the table ready to move forward. Also, our next status report is due to the court on 7/1/19, so continual progress is important.

Let us what you think and if there is anything we can do to support this moving forward.  
Micka
